**Pacifica's Economic Development Committee
Announces the Launch of:
Pacifica's "Beach Bites Bingo"**

A fun new program hosted by Pacifica's Chamber of Commerce!

"Beach Bites Bingo" is designed to encourage increased patronage to Pacifica's local restaurants and coffee shops while offering a fun and entertaining Pacifica experience for residents and visitors.

There is NO COST for restaurants to participate. Eateries simply provide the customer with a receipt for food/drink purchased, and the patron marks off their bingo card(s) and then submits their card(s) with "BINGO" along with coordinating receipts.

Every 2 weeks a random drawing will be conducted at Pacifica's City Council Meeting beginning at 7pm. The winner will receive a gift card that can be used any Pacifica retail shop or eatery.

You can download a "Beach Bites Bingo" card on Visit Pacifica's website, at <https://visitpacificacom/beachbitesbingo/>
